

# Mission

## CENTRAL RECEIVING COLORADO STATE UNIVERSITY

Through our stewardship and commitment to excellence, the Departments of Central Receiving deliver reliable and diverse solutions to Colorado State University. By leveraging our expertise in customer-focused problem solving we provide value-added solutions to help our partners meet the challenges of the future and development of tomorrow's leaders and innovations.

# Vision

Deliver trusted services and innovative, cost-effective solutions to our university community through collaboration, superior customer service and uninterrupted support.

# Values

### Trust

Earning trust through reliable and accountable services

### Relationship

Building collaborative campus partnerships through shared goals

### Delivering

Not just packages and mail but trusted services and solutions

### Resilience

Persevering through change with responsive and innovative solutions
