Adding iShip to your Trusted Sites
Internet Explorer

* You may need to contact your local IT department to have this added.*

1) Click **Tools** on the Menu Bar
   a. If you do not see Tools, press and release your **ALT** key, this will show the Menu bar. Click **Tools**

2) Select **Internet Options**

3) Select the **Security Tab** then click **Trusted Sites** then click the **Sites** button.

4) In the **Add this website to the zone** box, type *.*iship.com* and click the **Add** button. (You can also add https://*.*iship.com/* or uncheck the **Require server verification (https:) for all sites in this zone** box.

5) Click Close

6) Click OK
